

XII EUROPEAN MASTERS CHAMPIONSHIPS

OPEN WATER PRESS RELEASE

Due to information received from the Port Authority on Sunday regarding the tidal situation and the quality of the water it will not be possible to start the first wave until 11:30 am. The OC and the LEN Mac have therefore found it necessary to restrict the Open Water event to one lap of 3km. The waves will start in intervals of approx. 15 minutes.

This decision has been taken in the interests of safety and in order to provide a fair competition for all.
